

Coupa Supplier Portal - Verify Your Account

CSP VERIFIED – WHAT IS IT?

For suppliers on the Coupa Supplier Portal, Coupa now offers to “Verify Your Account”. A verified profile will be prioritized when potential customers are looking for new suppliers through the Coupa Network. Further information on the program can be found [here](#)

DO I NEED IT TO DO BUSINESS WITH MITIE?

No! The Coupa Supplier Portal is free to use, and Mitie does not require Suppliers to be verified by Coupa. You have already gone through our internal verification process and can now use the portal to collaborate with Mitie, completely free of charge!
